Terms and Conditions

Subscription to the Outlook products checked on Page 1 is granted under the following terms and conditions:

- **CRUDE AND REFINED PRODUCTS OUTLOOK** prices are given for a base set of crude oils and refined products. Additional crude oils, refined products or regions can be provided at additional cost.
- This agreement provides unlimited access to the Outlook products purchased by employees of the subscribing company and its affiliates. An initial set of data and documentation will be sent via email to the employee requesting this subscription. Subscriber may post data and documentation on subscriber's intranet for the use of its employees.
- Subscription materials are for the exclusive use of the subscribing company. The data and report provided subject to this subscription shall not be published or distributed to third parties, subsidiaries or parent companies without the written consent of Turner, Mason & Company.
- Oil industry experts at Turner, Mason & Company design and publish the **CRUDE AND REFINED PRODUCTS OUTLOOK** and **WORLDWIDE REFINERY CONSTRUCTION OUTLOOK** employing skills and methods based on generally accepted industry practices and the information available at the time the reports are published. A variety of factors could alter the results and analysis provided in these reports.
- The specific use of the results and analysis provided in these reports is at the discretion of the subscriber. Turner, Mason & Company does not endorse, guarantee or warrant the suitability of the data or analyses for any specific purpose.

I \_\_\_\_\_, have the authority to commit my company and agree with the terms and conditions set forth here to subscribe to the Turner, Mason & Company Outlook reports checked on Page 1.
